

Resources for Cultural Competency for OEHN Health Nursing

Online training, provider assessments, resources and webpages

American Association of Occupational Health Nursing (AAOHN)

<http://www.aohn.org>

Interactive online CNE training modules one and two at direct links below.

Diversity in the Workplace Module One

An Overview of Cultural Competence in Health Care

https://www.aohn.org/component/option,com_lms/task/view_course/course_id,50/

Module One provides an overview of cultural competence in health care and provides tools to increase self-awareness of cultural issues for the participant. This module concludes with a list of references that can be accessed to address the needs of specific cultural groups.

Diversity in the Workplace Module Two

Cultural Strategies for Occupational and Environmental Health Nurses

https://www.aohn.org/component/option,com_lms/task/view_course/course_id,51/

Module Two describes strategies for providing care to multicultural individuals and groups and for moving organizations to be more culturally sensitive. This module concludes with a list of references and resources that can be accessed to address the needs of specific cultural groups.

Cultural Care Connection

<http://culturecareconnection.org/index.html>

An online learning and resource center supporting efforts to provide culturally competent care in Minnesota.

Culturally Competent Nursing Modules (CCNM) by USDHHS Office of Minority Health

<https://www.thinkculturalhealth.hhs.gov/>

Free interactive online training divided into 3 courses that provide up to 9 hours of CEUs for nurses, social workers and nursing support professionals

National Center for Cultural Competence (NCCC) Georgetown University

<http://www11.georgetown.edu/research/gucchd/nccc/>

Mission to increase the capacity of health care programs to design, implement and evaluate culturally competent service delivery systems at organizational and individual levels.
